Love Pain, Sun & Rain,  
a Bundle of Cliches &  
a handful of pretty good  
ideas. "Pages" are a zine  
collection to showcase  
"The Messenger" in Progress.  
They are an autobiography,  
spiced up with a little Old  
Fashioned Magical Realism, and  
in this state a "working"  
"Coloring Book of Lies".  
Please enjoy. Use it as coloring  
Meditation or K:HyL:Herbimig.  
Much Love
